PROFILE

Brand and visual designer working across packaging, print, event and campaign design for fintech and consumer-electronics brands. I take briefs from concept to production-ready files and keep brand systems consistent across every format, from a 4 × 3 m stall to a 4:5 post.

EXPERIENCE

Associate Graphic Designer
Apr 2026 – Present

Instantpay · Fintech

- Designed Instantpay's stall **(Booth A-19) for Global Fintech Fest 2026, Mumbai**: layout, structure, product walls, counter and graphics.
- Designed **two zig-zag fold product brochures** (Banking and Verification Suites) as one visual system for GFF 2026.
- Create social, email, web and campaign creatives, including motion and short-form video, for the marketing and product teams.
- Turn complex fintech products into simple, audience-friendly visuals while keeping brand guidelines consistent.

Intern — Branding, Packaging & Product UI
Nov 2025 – Apr 2026

boAt Lifestyle · Consumer electronics

- Worked on packaging for **61 products across 8 audio and wearable categories**, from new launches to refreshes.
- Designed the **PartyPals portable speaker packaging from scratch**, taking it through three rounds to final approval.
- Created website and product-page assets, e-commerce visuals and creatives for launches and festive sales.
- Prepared production-ready packaging artwork, labels and layouts across variants and colourways.

Visual Content Designer (Freelance)
Jun 2025 – Oct 2025

Establisho Digital Marketing Agency

- Designed social posts, multi-slide carousels, website banners and presentations for agency clients.
- Managed multiple projects independently, applying feedback and delivering on deadline.
